

We have the pleasure to inform you re: the following progress done in the last month:

- **The Peer to peer mutual support programme kicked off in a very positive manner.** 25 proposals were received involving 32 national VOPEs plus 6 regional VOPE networks. Peer review teams are now being formed to review them. [Attached a PPT with additional details.](#)
- The International Year of Evaluation (EvalYear) is taking more and more force:
 - **UNEG Annual General Assembly decided to join EvalPartners in declaring 2015 as international year of evaluation**
 - **The idea of declaring 2015 as International Year of Evaluation will be officially announced in Sao Paulo, Brazil, 2nd October**, at a joint session EvalPartners/UNDP/Government of Brazil within the International Conference on National Evaluation Capacities.
 - **The website for EvalYear is now live at <http://www.mymande.org/evalyear>**

Best regards
